

Testimonial of Global Auto Exchange, Incorporated

Global Auto Exchange Inc, located in San Gabriel, CA, is a company that specializes in exporting used high end automobiles worldwide. We have customers in the Middle East, Asia, and South America and have been in business since 1995.

Our company has worked with GBC International Bank for almost 15 years. GBC is an experienced bank that has helped us manage our cash flow and also expand our business through their credit-line programs that they offer. GBC has continually provided their assistance when it comes to business loans and any banking needs. The staff is always helpful and attentive in accommodating any of our requests.

With the help from the GBC Loan Officer we have been able to get all of the vital paperwork completed quickly and efficiently to get our loan processed. We have developed a strong business relationship with GBC that has allowed our company to grow.

Thank you to the GBC staff for all of your support and help that you have provided us over the years. GBC will continually earn our business and recommendation to others.
